SUBJECT: Liaison Security Committee Meeting - 15 March 1948

1. The 37th meeting of the Liaison Security Committee was held at [redacted] building. The following

25X1A

a. The minutes of the previous meeting were approved as submitted.

25X1A

b. [redacted] reported to the Committee the present status of our overall strength and [redacted] program with the Department of State.

25X1A

c. A draft of a proposed procedure guide relative to Reserve Officer questionnaires was submitted by [redacted] for approval. The Committee made several minor suggestions for incorporation in the proposed draft and was in agreement that CBB rewrite the draft and submit it to the Executive Secretary informing him that general consideration had been given to this matter.

25X1A

d. The Committee was advised by [redacted] that conference rooms at the Pentagon were assigned to the various sub-units and that no central coordinating office existed for assignment of such space. [redacted] suggested the use of reference rooms at the Library of Congress for training purposes. After some discussion it was decided that [redacted] together with [redacted]

would prepare from the material presently in their possession a statement as to the need for such space in connection with the basic overall plan for [redacted] training, which statement would be submitted to AHSO for his approval. When this approval was secured, [redacted] would then arrange to meet with officials at [redacted]

25X1A

e. [redacted] asked for a report as to the status of issuances, as well as the proposed distribution list. He was informed that the distribution list had been disseminated, and that the Executive Secretary was presently in the process of studying

the Army decimal system of breakdown to see if it might be applied to CIA liaison.

g.

25X1A

b. A discussion followed relative to [REDACTED] proposed draft of a directive covering policy and procedure for travel of overseas staff personnel. It was pointed out by [REDACTED] that CAS was presently working on a tentative draft which would cover not only the overseas but the domestic personnel as well and would revise Operational Procedure Home No. 6 as well as GAI No. 5. It was decided that [REDACTED] draft would be turned over to CAS for coordination with the draft being prepared by them for submission to ADSSO.

2. The agenda for the meeting of 22 March will include the following:

25X1A

a. Report from Mr. [REDACTED] as to status of statement he is preparing for submission to ADSSO in connection with securing space at the Pentagon to be used for covert training purposes.

25X1A

b.

c. Report from Mr. BLAND of progress being made in the preparation of the proposed draft which would revise Operational Procedure, Home No. 6 and GAI No. 5.

3. The meeting was adjourned at 1255 hours to reconvene at 1030 hours on 22 March 1948.
